

CMG URM NETWORKING NIGHT

Please join the CMG and members of the Haas community for the first annual URM Networking Night, an opportunity for **URM students and alumni** to meet with and get to know employers who are looking to hire. The goal of the event is to bring everyone together early in the fall, eliminating the need for one-off diversity networking events later on. Each company will have a cocktail table for casual networking. Food and drink will be provided.

Wednesday, October 2

6:00-8:00PM

Spieker Forum, Chou Hall 6th Fl.

WHAT COMPANIES ARE INVITED?

Top tier companies who recruit both on campus and via networked channels and are making efforts to improve their DEI efforts both in recruiting and retention. This will be an intimate opportunity to discuss:

- Companies' initiatives around diversity, equity & inclusion
- What the URM experience is like at their company (List of Employee Resource Groups, etc) and considerations for intersectional identities
- MBA Hiring opportunities this year (OCI or Just-in-Time)
- Meet URM alumni who work at these companies

WHO SHOULD ATTEND

The goal of this event is to support Haas students and alumni from historically underrepresented ethnic identities (LatinX, Black, Native American/Pacific Islander). In addition to current MBA students, we welcome alumni to join us to have a chance to get to know students, share your career experiences as a URM and continue to build community. Employers will be provided with the Haas URM Resume Database (thanks to the Race Inclusion Initiative's work) following the event.

HOW DO I REGISTER TO ATTEND AS AN INTERNSHIP OR FULL-TIME SEEKING STUDENT/ALUM?
